*Centers with no data reported indicates that AIMS data were not submitted. Data used in this report was data current through 1/13/2014.*

**Caseload Counts:** Number of children in the CBS caseload during the month.

**Caseload per 10,000 Child Population:** Ratio of the number of children in the caseload during the month per 10,000 children in the child population of the CMHC catchment area.

**Living in a Family Home:** Percent of children in the CBS caseload who were living in a family home at the end of the month. *Family Home* is defined as permanent home, independent living, foster home, therapeutic foster care, or temporarily living with a relative or family friend.

**No Arrest or Law Enforcement Contact:** Percent of children recorded as having either been arrested or as having parents contacted by law enforcement during the month.

**Clinically Significant CBCL Score:** Percent of children recorded as having at least one clinically significant CBCL Score.

**A, B, or C Grades:** Percent of children attending school each month who had A, B, or C grades recorded during the month.

**Regular School Attendance:** Percent of children attending school each month who had two or fewer unexcused absences during that month.
